WHAT IS PATHFINDER?

Pathfinder is a cooperative tabletop roleplaying game (also called an RPG) of fantasy adventure! Grab some friends to play the heroes in an adventuring party. Go on a quest, explore mysterious environments, battle dangerous monsters, find treasure, and tell a story together!

IF YOU ARE ON YOUR OWN

Pathfinder is designed for group play, but this box includes a solo adventure you can play on your own! Open the *Hero's Handbook* to page 2 to play "Pirate King's Plunder," which will teach you the basics of the game!

IF YOU HAVE A GROUP

Every group needs a Game Master to read and run the adventure. Pick one player to be the Game Master. The rest of the players will play fantasy heroes.

If You Want to Start Right Away

Grab one of the Pregenerated Character Sheets! You could be the devout cleric Kyra, the powerful fighter Valeros, the sneaky rogue Merisiel, or the intelligent wizard Ezren. Take the character folio for that character and the cardboard pawn that matches them.

If You Want to Make Your Own Character

Take a blank character sheet and turn to page 12 in the *Hero's Handbook*! The book will guide you through filling out your character sheet to make your unique hero! When you're done, choose a pawn to match your character.

If You Want to Be the Game Master

Take the *Game Master's Guide*! The Game Master (or GM) gets to know all the secrets and play all the monsters in the game. Turn to page 2 in the *Game Master's Guide* to read up on the first adventure that the heroes will face, "Menace under Otari."
