

THE ADVENTURE CONTINUES!

Want more Pathfinder? Keep playing with additional adventures suited for the **Beginner Box**, or jump into the full version of the Pathfinder game!

TROUBLES IN OTARI

Keep playing with the *Beginner Box* rules in this anthology of three adventures set in Otari and the surrounding region. The adventures start at 2nd level, and you can level up characters to 4th level using the rules within!

THE CORE GAME

Check out the books below to jump into the full version of the Pathfinder Roleplaying Game. Any characters you already created with the *Beginner Box* are ready to play!

CORE RULEBOOK

Get all the essential rules to play Pathfinder, all in one book! Play characters from levels 1 to 20, with expanded rules for every part of the game. Includes eight new classes, like the alchemist, barbarian, druid, and monk, and new ancestries so you can play a goblin, gnome, or halfling! Find many more class, skill, and magic options, including animal companions and familiars!

ADVANCED PLAYER'S GUIDE

Expand on the *Core Rulebook* with more character options, including four new classes: investigator, oracle, swashbuckler, and witch! Try out new ancestries like catfolk, orcs, ratfolk, and tengu, and new heritages that can be combined with any ancestry, like the fiendish tiefling or vampiric dhampir!

BESTIARY

An essential resource for Game Masters, the *Bestiary* is brimming with over 400 enemies and allies of all kinds. Inside, you'll find combat statistics and lore for demons, dragons, vampires, genies, giants, and more!

GAMEMASTERY GUIDE

Get all the tools to build your own adventures, monsters, and magic items! Tweak the game to your exact specifications with variant rules and special subsystems, and get advice on making your game the best it can be.
